**IT'S A WRAP
FROM WALTERS WICKER**

Walter's Wicker, Inc., manufacturers of exclusive high-end wicker, rattan, woven leather and resin furniture for the residential and contract markets, introduces the lyrical **Fiesta Screen**. This beautiful, horizontal flowing design contrasted against continuous verticals defines this introduction and signifies a new dimension for **Walters Wicker**.

The construction of the screen consists of a metal frame around which leather is expertly wrapped, creating an undulating wave-like contemporary design. Light filters through the fine strands of leather giving the screen a weightless, airy appearance.

Featured in the photo in chocolate brown, the **Fiesta Screen** is available only as shown. This striking wrap would be a wonderful design element in any room either residential or corporate.

Fiesta Screen (32392) Dimensions:
65"W x 11"D x 68"H

Walter's Wicker, Inc., maintains showrooms in the D&D Building in New York, the DCOTA in Dania, Florida and The Atlanta Decorative Arts Center in Atlanta, GA. They are represented in designer showrooms nationwide.
