**THE SANTIAGO CLUB CHAIR
FROM WALTERS WICKER
IS ANGLED FOR STYLE AND DESIGNED FOR COMFORT**

WALTERS WICKER, INC., manufacturers of exclusive high-end wicker, rattan, woven leather and resin furniture for the residential and contract markets, debuts **The Santiago Club Chair (40254)**. Sculpted with luxurious angles, curves and contours, **Santiago** offers high style as well as enduring comfort. The high cushioned back and gently sloping arm rests envelope the body in all the right places.

Woven on a rattan frame with natural sea grass, **The Santiago Club Chair** is a sophisticated indoor design whose sleek styling is contrasted by the textural effect of the weave. The chair accommodates two loose cushions, upholstered in the customer's own fabric (COM). The cushions provide support and gracefully echo the chair's shape.

Dimensions for Double Chaise:
