**ZONE OUT
ON THE STRATOSPHERE FROM WALTERS WICKER**

Walter's Wicker, Inc., manufacturers of exclusive high-end wicker, rattan, woven leather and resin furniture for the residential and contract markets, introduces the otherworldly **Stratosphere**, an impeccably woven leather club chair with a contemporary space age appearance.

Sculptural in shape and generously proportioned, **Stratosphere** is both beautifully designed and comfortable. Resting on an Indonesian Mahogany frame, **Stratosphere** is a perfect combination of form and function and is an ideal choice for both residential and commercial applications.

Featured in the photo in chocolate brown, **Stratosphere** is available only as shown. Attached seat and cushion is the customer's own material or leather.

Stratosphere (40256) Dimensions:
26"W X 35"D X 33.5"H, 23" AH, 16" SH

Walter's Wicker, Inc., maintains showrooms in the D&D Building in New York and the DCOTA in Dania, Florida. Their new Atlanta showroom will open in May, 2006. They are represented in designer showrooms nationwide.
