ELEGANCE AND STYLE THE FOCUS IN THIS PEDESTAL DINING TABLE FIT FOR A KING

Auffrance Fine Furniture, creators of authentic, traditional hand-carved French furniture reproductions with meticulous attention to detail, introduces the regal **Louis XVI Pedestal Dining Table**.

The Cherry wood tabletop is bordered in solid walnut and rests on a full-bodied hand carved pedestal. Several traditional flowers and leaves are carefully carved on the pedestal as well as a fully detailed sash draped around the center. The entire piece is shown in a fruitwood finish, imbuing elegance and sophistication.

The Louis XVI Pedestal Table is shown here at 54" diameter x 30" height. The table is available at any custom diameter and can be made with multiple leaves or at a smaller diameter as an end table or console. All Auffrance furnishings can be custom finished and repropotioned without any loss of design integrity.
