AND NOW FOR SOMETHING COMPLETELY DIFFERENT FROM SMITH & WATSON

Smith & Watson, masters of fine English and continental antique reproduction furniture since 1907, introduce their truly unique **Queen Anne Stool**, an exact replica of a mid-eighteenth century antique.

Expertly hand-carved from a solid block of figured mahogany, the seat of the **Queen Anne Stool** resembles the shape of a bicycle seat of generous proportions. The curvature of the legs gives the stool its graceful appearance. The legs are fitted with an iron foot rest, contributing to the stability of the piece.

Featured here in distressed, antiqued brown mahogany finish, the **Queen Anne** with its distinctive shape makes an unusual and interesting bar stool. It also holds its own as an extraordinary accent or conversation piece in any room and would be a new and different application for a restaurant with an old world ambience.
