### A REVOLUTIONARY TABLE FROM SMITH & WATSON

**Smith & Watson**, masters of fine English and continental antique reproduction furniture since 1907, introduce the beautifully finished ***Sheraton Revolving Book Table (C-2)***. Inspired by an antique library bookcase, circa 1790, this meticulously crafted beauty is fashioned of Carpathian elm burl.

The original antique table was crafted with three tiers and a tooled leather top. To accommodate a customer, the design was modified to feature two tiers and a wood top. This newer version has become a favorite in the Smith and Watson collection.

The ***Sheraton Revolving Book Table (C-2)*** is also available in mahogany or yew wood with ebony and satinwood inlay and would be a handsome addition to any bedroom, living room, den or office.

Dimensions:  
25" diameter, 27" height

**Smith & Watson is headquartered in the New York Design Center, NYC and represented in Washington, D.C., Denver and San Francisco.**
