**WALTERS WICKER
COMBINES STAINLESS STEEL WITH RESIN
TO CREATE A SLEEK NEW LOOK**

WALTERS WICKER, INC., manufacturer of exclusive high-end wicker, rattan, woven leather and resin furniture for the residential and contract markets, introduces the sleek new **Key West Lounger**.

The lounger combines a polished stainless steel frame with a resin weave adjustable back for a completely new outdoor look. Two wheels are attached to the back of the frame for ease of movement. Available with or without a cushion, the **Key West Lounger** is finished in coffee cream and offered only as shown.

The streamlined, contemporary lines, as well as its waterproof properties, make the **Key West Lounger** an ideal choice for today's outdoor room.

Key West Lounger Dimensions
