ARCHITECTURAL PANELING GOES INTO GREAT DETAIL WITH NEW COLLECTION OF HAND CARVED DESIGNS

This handsome new collection of hand carvings featuring new designs from **Architectural Paneling** is indicative of the attention to detail that is the hallmark of their extraordinary pieces. All types of ornamentation, crests, shields, brackets and capitals are included in this spectacular new group. Carvings can be custom crafted to fit any size requirement and can be reproduced from either a photo or a sketch. Utilizing only the most select hardwoods, all carvings are available in walnut, cherry, mahogany, oak and poplar.

Architectural Paneling, Inc., is the design industry's leading source for traditional French and English hand carved paneling, mantels and moldings. Anthony Lombardo, the company's president and founder, has enjoyed a reputation for unparalleled expertise over the past forty years. His extensive line of highly detailed, hand carved accents add charm and style to any architectural installation.

Architectural Paneling, Inc., recognized for quality and custom creations, maintains manufacturing facilities in Long Island City, NY and has a showroom located in the D&D Building, 979 Third Ave, New York City.
